Report on Online Quiz Conducted on the Occasion of Google's Birth Anniversary – 2025

The Department of Computer Science at **Sri A.B.R. Government Degree College (Autonomous), Repalle** organized an **Online Quiz Programme** in view of the birth anniversary of Google in the year 2025. The event aimed to enhance students' knowledge in the field of technology, digital innovation, and the evolution of one of the world's most influential tech companies.

Google, founded in 1998 by Larry Page and Sergey Brin, has transformed the way people access information. Its mission "to organize the world's information and make it universally accessible and useful" has made it an indispensable part of modern life. ([Google Doodles](#)) Over the years, Google has evolved from a simple search engine into a global technology leader in areas such as artificial intelligence, cloud computing, and digital communication, thereby playing a crucial role in education, research, and everyday activities. ([Wikipedia](#))

Recognizing the importance and impact of Google in the digital era, the department conducted this quiz to create awareness among students about its history, innovations, products, and contributions to society.

The online quiz witnessed an enthusiastic response from students across various disciplines. A total of **187 participants** actively took part in the programme. The quiz was conducted through an online platform ensuring accessibility and smooth participation. The questionnaire covered topics such as Google's history, services (like Search, Gmail, Maps, and YouTube), technological advancements, and its role in shaping the modern internet ecosystem.

Upon successful completion of the quiz, **all participants were awarded e-certificates**, encouraging them to actively engage in such academic and knowledge-based activities.

The programme was successfully organized under the supervision of **Sri M. Niranjana, Lecturer & In-charge, Department of Computer Science**, whose guidance and efforts ensured the smooth conduct of the event.

The Department expresses its gratitude to all participants for their active involvement and looks forward to organizing more such innovative and informative programmes in the future.
