

### Action Taken Report on Feedback for the Academic Year-2017-18

Internal Quality Assurance Cell of Sri. A.B.R. Government Degree College encourages all the departments to obtain feedback on Curricular aspects from the Students, Employees, Teachers, and Alumni. The questions/statements touch upon the aspects such as syllabus content, communication skills, student centric methods adopted, availability and usage of ICT facilities, relevance of course structure to the course objectives, additional inputs provided by the departments and the research orientation in the course design etc. The feedback was obtained and submitted to IQAC. The IQAC committee studied the feedback report and discussed it with Principal and concerned departments. Feedback reports were analyzed and the suggestions were implemented wherever possible.

Students, Employers, Teachers and Alumni have given their response positively regarding curricular aspects. Even though they felt satisfied about curricular aspects, our college management tried its level best to enhance the academic standards for the upliftment and better future of the students.
